

Amendments to the Drawings:

Please amend Figure 1 to include reference numeral T3 to identify the third transistor T3 first recited on page 3, line 15 in the Specification. Three transistors T1, T2, and T3 are recited in the Specification. Transistors T1 and T2 are already identified in Figure 1. The third transistor T3 is described in the paragraph beginning on line 13 of page 3. It is apparent from both Figure 1 and the description that the unlabeled transistor is transistor T3. Applicant respectfully submits that no new matter has been added.

A Replacement sheet showing the amendment to Figure 1 is enclosed herewith.
